SUPPORT YOUR CADET 2019-20

Dear _____

Message: _____

As a member of the Westview Navy Junior Reserve Officer Training Corps (NJROTC), I am asking you to “Support Your Cadet” by helping us to meet our program needs. As we enter another exciting year, the benefits of our program to our school and the local community are bountiful. Under the guidance of our devoted instructors and dedicated cadet leaders, I continue to develop leadership skills, self-discipline, physical and mental toughness, lasting friendships and a strong sense of belonging to something positive in my life. In addition to classroom academic activities focusing on citizenship, government, history and physical sciences. I actively participate in fitness training, military drill (marching) and weekly uniform inspections. I have the option of participating on Drill, Color Guard, Athletic, Academic, STEM (CyberPatriot, Stellar X and/or Sea Perch), and Air Rifle Marksmanship Teams. I also perform service hours at community and school events throughout the year. The experience I gain through NJROTC enhances my chances for future success in college, the military or the working world.

Expenses for our program are considerable since we need money to travel and enter various competitions across the state of California and elsewhere whenever we qualify for regional or national events. My instructors have planned many exciting things for this school year. While the Navy does fund the basics, your sponsorship benefits all cadets by offsetting our expenses for travel to competitions (Qualifiers, Regionals and Nationals) as well as entrance fees and meals while competing. Last year it cost the unit over \$6,000 to travel to competitions from October through April. We also need support for drill team accessories, meals at special events, awards, our formal military ball, air rifle marksmanship fees, and other unit needs. Over \$15, 000 was spent on all unit competitions and functions last year. Our unit is “High Octane” and enjoys being able to provide our cadets numerous activities and options and tremendous support to the community. Check us out at www.wolverinenavy.org

I appreciate you sponsoring a great year for achievement, growth and learning!!!

All paid sponsors receive a “Thank You” note since your gift is tax deductible. Sponsor information and contributions are held in strictest confidence. 100% of these funds support our activities as no outside agencies are involved in this fundraiser.
